Subject: Salt Lake City Review of Notice of Intention to Commence Large Mining Operations, Lakeview Rock Products (Hughes & Hughes), Beck Street Quarry, Task # 261 M/035/020, Salt Lake County, Utah

Dear Mr. Larson:

The Division has received the attached comments and Development Agreement from Mr. Lynn Pace, Deputy City Attorney, Salt Lake City Corporation concerning the plan presently being reviewed by the Division. The cover letter on Mr. Pace's comments indicates that Hughes & Hughes entered a Development Agreement with the City on December 20, 1996. This agreement precludes Lakeview from completing the mine plan as it is presently written. The Division requests that Lakeview amend their present mining plan to conform to the stipulations outlined in this agreement and resubmit the plan by June 19, 2006.

Should Hughes & Hughes revise or amend the Development agreement with Salt Lake City, Lakeview's latest plan can be revised. If you have any questions concerning this letter please contact me at (801) 538-5258 or Doug Jensen at (801) 538-5382

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
